**ACADEMIC HONORS DAY
2025**

Through the contributions of our Chapter, Foundation, officers, directors, members, sponsors, and donors, we have awarded more than

\$1,000,000
IN SCHOLARSHIPS

Thank you for your generosity in support of our future Accounting and Finance leaders!

The Financial Executives International - Houston Chapter (FEI) honors accounting or finance students attending accredited colleges and universities in Southeast Texas annually, with a scholarship award and an Academic Honors Program. The Academic Honors Day (AHD) is held each February and is hosted by a local Houston business organization in conjunction with FEI.

By linking the award of financial support to students with exposure to real world experiences as part of the FEI's Academic Honors Program, we can better personalize the educational experience. Our focus is on ethical business conduct and the pursuit of accounting and finance as outstanding career choices.

Since 1970, the FEI Houston Scholarship Foundation organization has awarded over \$1,000,000 in scholarships through its Academic Honors Program, funded primarily by the FEI Houston Chapter, voluntary contributions and Corporate Sponsors. Thank you to all who have been involved and donated over this extended period.

During the Academic Honors Day program, the students experience the opportunity to interact with both senior management and short-tenure employee panels, comprised of seasoned professionals and recent hires in industry and the public accounting profession, to broaden their experience.

Thank You to Microsoft for hosting this year's Academic Honors Day Program for the students and distinguished guests. Microsoft creates platforms and tools powered by AI to deliver innovative solutions that meet the evolving needs of their customers. The technology company is committed to making AI available broadly and doing so responsibly, with a mission to empower every person and every organization on the planet to achieve more.

The mission of the FEI Houston Scholarship Foundation (the Foundation) is to empower outstanding accounting and finance students enrolled in accredited universities across Southeast Texas by offering annual need-based scholarships and connecting them with influential mentors in the local business community. Our mission is to foster future financial leaders through personalized support, ethical guidance, and opportunities to learn from experienced professionals.

The long range goal is to grow an endowment with annual income to fund the scholarship program on a continuing basis and to facilitate the relationship between local business school deans, the Houston Chapter of FEI and leading corporate organizations to benefit future students and local industry.

The Foundation is a 501(c)(3) charitable organization. To learn more about the Foundation and to make a donation, visit feihoustonfoundation.org.
